

NANA JENNY'S KITCHEN

“Beautiful Easter eggs -
from recycled plastic”

YOU WILL NEED

Isopropyl alcohol
'Sharpie' markers
Plastic milk container
Eye Dropper

DIRECTIONS

1. Cut an oval shape out of the flat side of a plastic milk container.
2. Colour the plastic oval with Sharpie markers. It doesn't matter if the colouring is not neat, as long as the surface is covered.
3. Using the eye dropper, place drops of the Isopropyl alcohol into the coloured surface. The colours will run together and make beautiful patterns! Add a few drops and wait for the effect – if you want more pattern, add a few more drops of the Isopropyl alcohol.
4. When dry, punch a hole in the top and tie with a ribbon to hang.
